DANGER SIGNALS.

No engineer would be mad enough to run by the flag which signaled danger. It is different with the average man or woman. They attempt constantly to run by the danger signals of Nature and that attempt costs thousands of lives every year. When the appetite becomes irregular or entirely gives out, when sleep is troubled and broken, when there is a constant feeling of dullness and languor, Nature is holding the danger signal. The stomach and its allied organs are failing in their work, and the body is losing the nutrition on which its strength depends.

Such a condition calls for a prompt use of Dr. Pierce's Golden Medical Discovery. It cures diseases of the stomach and other organs of digestion and nutrition, purifies and enriches the blood and builds up the body with sound, solid muscle. It has had so many benefits from your medicines as to say a few words that you may use for publication. I was Mrs. J. J. Jones, Crystal Lake, Conn. I had been troubled with a complication of diseases for over two years, but kidneys and liver bothered me most. Some of my worst ailments were headache, frequent pains around heart and under right shoulder blade. My hands and feet were cold nearly all the time, and I had such chilliness between shoulders. Some days I could not do any housework. Took medicine from my physician, but received no benefit. Bought a bottle of "Golden Medical Discovery," and after taking it I felt so much better that I was determined to take a fair trial. Appetite soon improved and gradually the disorders disappeared until now I am well.

A WOMAN TO BE PRETTY

Must Have Luxuriant and Glossy Hair. No Matter What Color.

The finest contour of a female face, the sweetest smile of a woman, loses something if the hair is crowned with scant hair. Scant and falling hair, it is now known, is caused by parasites that burrow into the scalp to the roots of the hair, where it saps the vitality. The little white scales the germ throws up in burrowing are called dandruff. To cure dandruff permanently, then, and to stop falling hair, that germ must be killed. Newbro's Herpicide, an entirely new result of the chemical laboratory, destroys the dandruff germ, and of course, stops the falling hair, and prevents baldness. Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.

STRONG Again

is what Mrs. Lucy Stovall, of Tilton, Ga., said after taking Kodol Dyspepsia Cure. Hundreds of other weak women are being restored to perfect health by this remedy. YOU may be well if you will take it. Indigestion causes nearly all the sickness that women have. It deprives the system of nourishment and the delicate organs peculiar to women suffer—weak, and become diseased.

Kodol Dyspepsia Cure enables the stomach and digestive organs to digest and assimilate all of the wholesome food that may be eaten. It nourishes the body, and rebuilds the weak organs, restoring health and strength. Kodol cures indigestion, constipation, dyspepsia, sour risings, belching, heartburn and all stomach disorders.

THE VATICAN OFFENDED.

Vatican circles are said to be alarmed at the probable effect of Miss Alice Roosevelt's recent visit to the Philippine Islands. A report just received from Mr. Agius, the Apostolic Delegate in the archipelago, details the circumstances of the visit, which are considered at the Vatican unfavorable to Catholic interests in the new American possessions in the far East.

This report leads the authorities to think Miss Roosevelt made too much of the personal call made upon her in Manila by the schismatic Archbishop Aglipay, who took the first opportunity to pay his respects. Several dignitaries of the Roman Catholic Church were present, but it seems that Miss Roosevelt's conversation was monopolized by the schismatic prelate, while the members of the Roman clergy stood aside and looked on.

Matters went even farther, and the President's daughter permitted herself to be photographed side by side with the greatest enemy the Roman Catholic authorities in the islands have or ever will have.

Naturally much displeasure is felt, though the incident is attributed to the lack of diplomatic training of the American President's daughter.

The very fact that the schism has lost to the Church of Rome hundreds of priests and thousands of communicants in the archipelago it is claimed at the Vatican, ought to have prevented the Taft party and the civil officials of the islands from extending to Archbishop Aglipay more than the usual courtesies, instead of allowing him a preference over the Catholic prelates, which the Vatican regards as unwarranted.

It is greatly feared in Rome that the extraordinary courtesies shown Aglipay by the American President's daughter will have a damaging effect among the natives of the islands, many of whom are already at odds with the church authorities, and that it will encourage Aglipay's followers in their rebellion and defiance.

Pius X was upset for several days after hearing of the affair, and is said to have remarked that just when he was about to write a personal letter of congratulation and praise to President Roosevelt for his successful efforts in behalf of peace, as many European sovereigns have already done, this complication will make him postpone a cherished duty until some explanation of the whole affair is forthcoming.

SHAM BATTLE.

The Grand Camp of Confederate Veterans of Virginia will hold its next annual meeting in the city of Petersburg on the 15th, 26th and 27th of October. For the entertainment of the Grand Camp and visiting veterans, A. P. Hill Camp of Confederate Veterans of Petersburg have determined to have on Thursday, the 26th of October, a sham battle by the Virginia state troops on the field of the battle of the Crater, for which purpose an invitation has been extended to the several regiments and other organizations of these troops.

A special committee of A. P. Hill Camp is arranging with the officer who will be in command of the troops to have the sham battle conform as nearly as practicable to that part of the famous battle of July 30, 1864, in which the Confederate earthworks north of the Crater were recaptured by Mahone's brigade with some of other commands. The charge of 800 or more young infantry at a double-quick, with the "rebel yell," and arms at a trail from the very place at which, and over the very ground over which, Mahone's men made their charge on the morning of the battle, the charging military not firing a gun until reaching the crest of the hill, but being fired at by the enemy stationed there and along the rim of the Crater as they double-quickly up the 200 yards of hill slope, will present a stirring and striking spectacle, a one well worth seeing. But one not less notable will be the sight of the line of surviving participants who, a short time before the military make their charge, will be formed in line of battle as on the morning of July 30, 1864, and will have a short address from Col. William H. Stewart, their commander, and then kneel in prayer.

All surviving ex-Confederate soldiers who participated in the battle, whether in infantry or artillery commands, have been invited to be present on Thursday, the 26th inst., to witness the exercises on the battlefield of the Crater.

Incredible Brutality

It would have been incredible brutality if Chas. F. Lemberger, of Syracuse, N. Y., had not done the best he could for his suffering son. "My boy," he says, "cut a fearful gash over his eye, so I applied Bucklen's Arnica Salve, which quickly healed it and saved his eye." Good for burns and ulcers too. Only 25c at E. S. Leadbeater and Sons, drug store.
